## Call to Prayer

*Ask • Seek • Knock • Matthew 7:7*

**Persecuted Church: Sudan** - The Sudanese government has conducted a brutal campaign to Islamize the nation, destroying churches and imprisoning Christians while seeking to implement strict adherence to Islamic law including the bombing of villages, crops, hospitals and churches. The nation is unstable as multiple Islamist factions fight for control. In April 2023, growing tensions between two of al-Bashir's former generals, ardent Islamists who participated in the 2019 coup, led to fighting in the streets of Khartoum. Since then, the Islamists have targeted and killed Christians and attacked churches.

- Pray for Christians affected by the fighting between Islamic factions vying for control of the country.
- Bibles are scarce because of ongoing efforts to Islamize the country. Pray for increased access to God's Word.
- Many Christians have been displaced by fighting between Islamic groups. Pray for God's provision.
- Pray for the encouragement of Sudanese Christians and for increased fellowship among those meeting in small groups.
- Pray that Christians in the Nuba Mountains region will be a beacon of hope to those fleeing Islamist violence.
