**Persecuted Church: Western Sahara** - Unlike the relatively open tourist destinations found in parts of the Kingdom of Morocco, Western Sahara is restricted and closely monitored by Moroccan government authorities. Christians are under tight scrutiny, and Bible distributions and missionary activities are forbidden. The small number of indigenous Christians living in Western Sahara are at ongoing risk of imprisonment for apostasy and proselytization. While two Catholic churches remain from the period of Spanish control, no other churches are known to exist in either the Moroccan or Polisario Front sections of Western Sahara. Western Sahara is more than 99.9 percent Muslim, making it one of the most religiously homogenous places in the world.

- Pray for greater access to God's Word in this restricted nation.
- Pray that Christians can gather for fellowship without government detection.
- Pray that gospel outreach in Western Sahara will bear much spiritual fruit.
- Pray that Christians in Western Sahara will find creative ways to share their faith.
